

L'allégorie de la grenouille ...

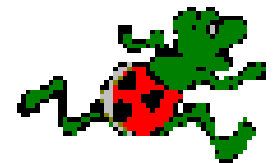

LECON DE VIE N. 1

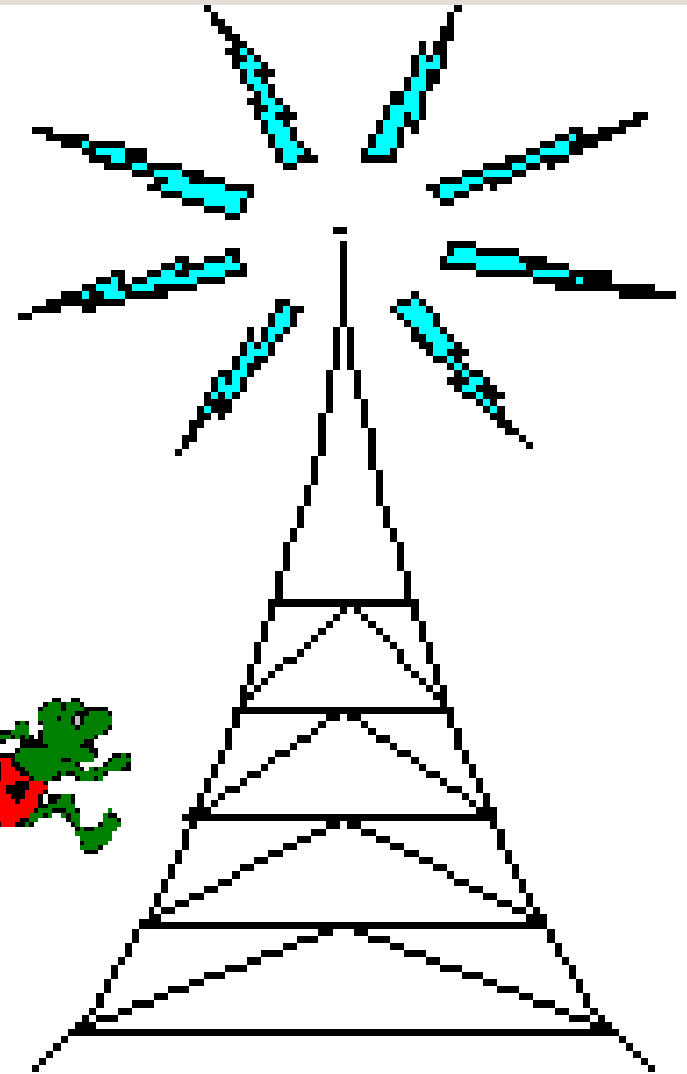

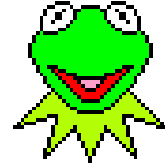

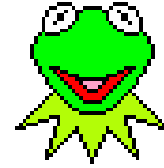

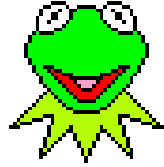

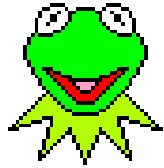

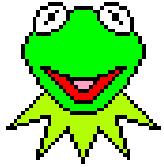

Il était  ois une
course ...

grenouilles

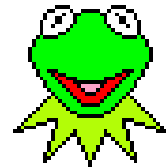

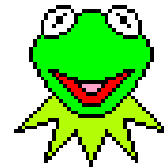

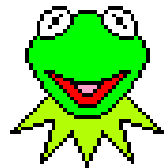

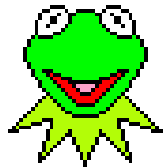

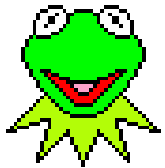

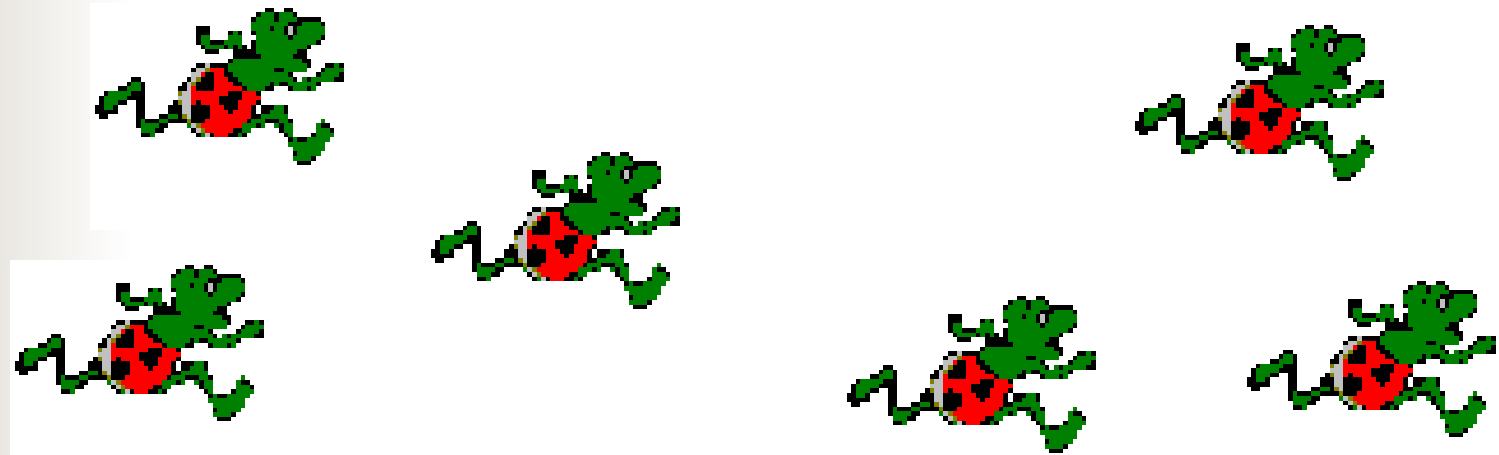

**L'objectif était
d'arriver en
haut d'une
grande tour.**

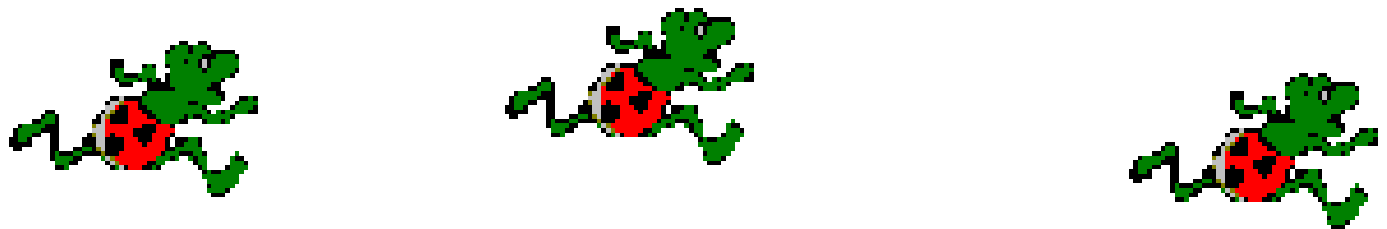

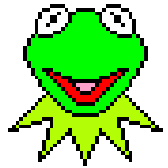

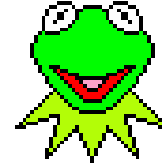

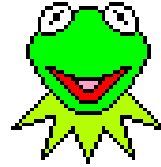

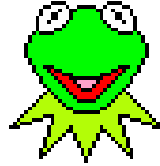

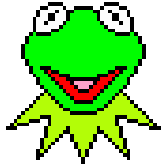

**Beaucoup de gens se
rassemblèrent pour les voir
et les soutenir.**

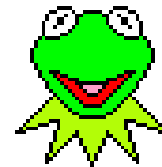

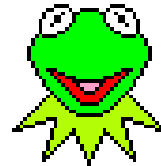

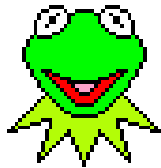

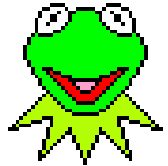

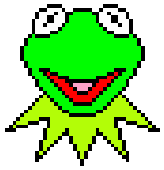

La course commença.

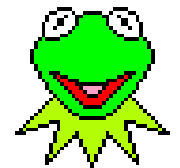

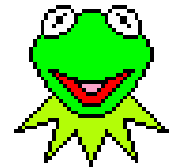

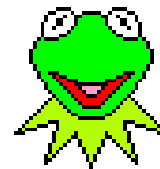

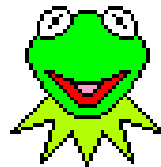

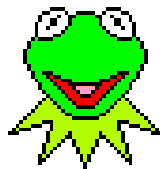

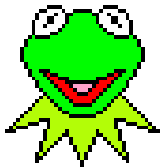

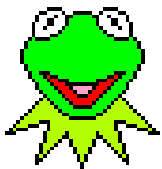

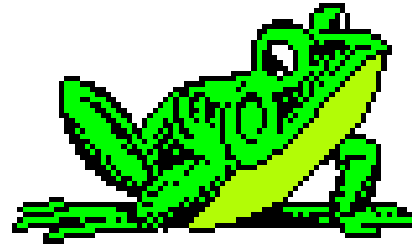

**En fait, les gens pensaient
que les grenouilles
n'atteindraient jamais la
cime...**

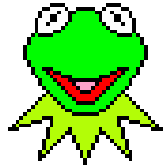

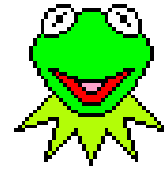

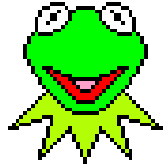

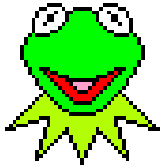

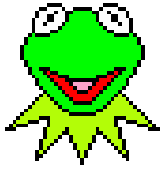

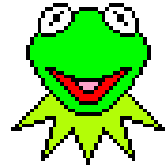

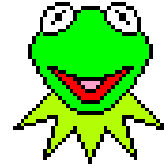

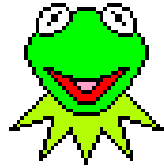

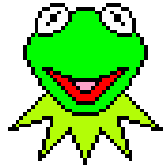

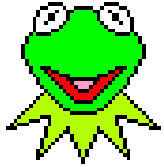

et toutes les phrases que
l'on entendit furent de ce
genre : ***"Quelle peine !!!
Elles n'y arriveront jamais!"***

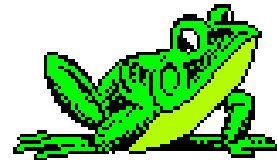

**Les grenouilles
commencèrent à se
résigner, sauf une qui
continua de grimper et...**

**Les gens continuaient :
"... Quelle peine !!! Elles
n'y arriveront jamais!..."**

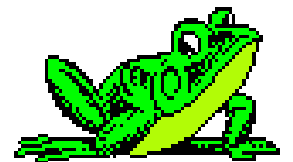

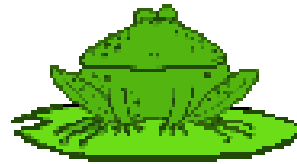

**Et les grenouilles
s'avouèrent vaincues, sauf
toujours la même
grenouille qui continuait à
insister**

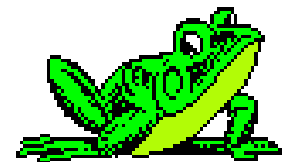

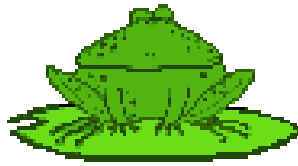

A la fin, toutes se désistèrent, sauf cette grenouille qui, seule et avec un énorme effort, rejoigna le haut de la cime

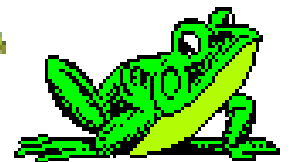

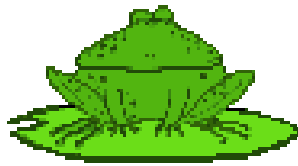

**Les autres voulurent savoir
comment elle avait fait.**

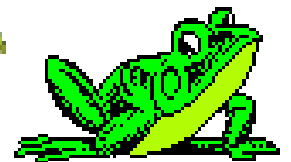

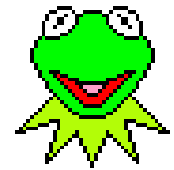

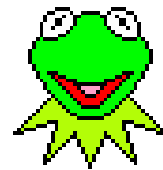

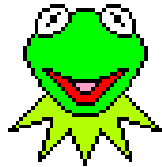

**L'une d'entre elles
s'approcha pour lui
demander comment elle
avait fait pour terminer
l'épreuve. .**

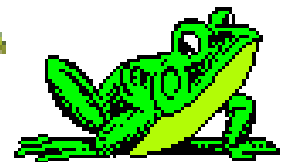

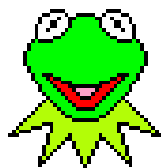

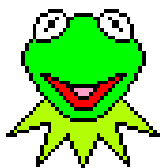

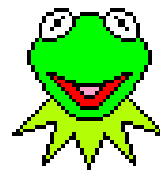

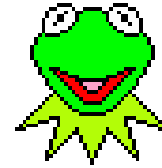

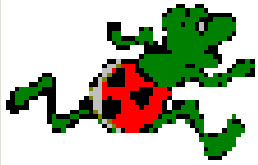

**Et découvrit qu'elle... était
sourde! ...**

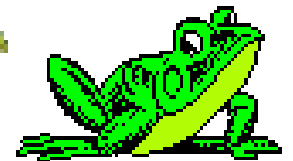

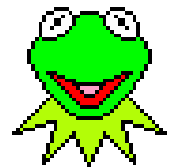

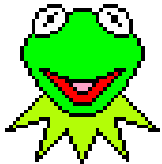

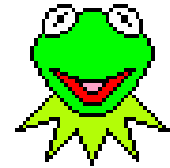

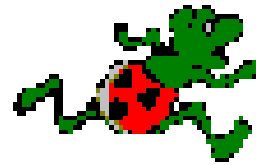

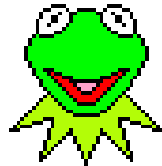

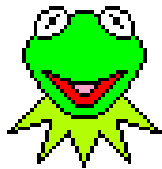

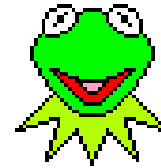

MORALITE

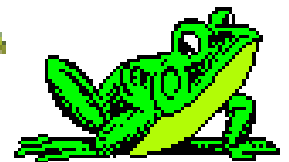

**...N'écoutez pas les
personnes qui ont la
mauvaise habitude d'être
négatives...**

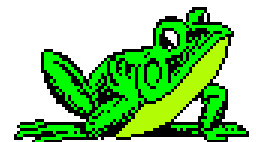

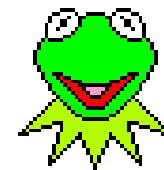

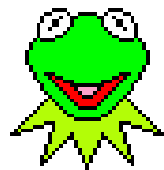

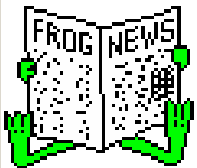

**... car elles volent les
meilleurs espoirs de votre
coeur!**

**Rappelez-vous pour
toujours du pouvoir qu'ont
les mots que vous
entendez ou que vous
lisez...**

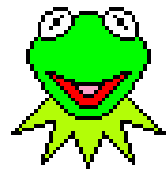

C'est pourquoi, soyez
toujours ... ***POSITIF !***

En résumé :

***Soyez toujours sourd
quand quelqu'un vous dit
que vous ne pouvez
réaliser vos rêves.***

***Envoyez ce message à 5
personnes, et cela
contribuera, à votre
échelle, à rendre le monde
un peu meilleur.***
